erobyn9@gmail.com

My name is Evan Robyn, and I am currently studying economics at the University of the Fraser Valley. I previously worked at Fresh St. Market as a seafood clerk for about two years and now work for Bunzl Safety as a warehouse attendant - while completing my post-secondary education. I'm currently looking for a career path that relates to my subject of study and will allow me to achieve my goals in being a difference maker, both professionally and personally.

Some other things to know about me: I was an Honour Roll student at Lord Tweedsmuir Secondary School, I played division 1 soccer for Surrey United Soccer Club (and coached the division 2, U15 Northstars), I currently have my Class 7 driver's licence, and I was involved in the Male Leadership Group (Power of One) at Lord Tweedsmuir Secondary School. I possess positive qualities such as: intelligence, good communication, and team work that I think make me the perfect addition to any workforce.

Education

2013 – 2018 Lord Tweedsmuir Secondary School (LTSS)
